

The Miracle Project™

Join MPAC and The Miracle Project Team as a Peer Mentor!

What is The Miracle Project?

The Miracle Project is an arts education program which uses music, acting, and dance to unlock the creativity, personalities, and great potentials of children with autism and other special needs. This groundbreaking program provides a safe, supportive environment where children of all abilities can grow in skill and in spirit while creating and performing in musicals.

Miracles Helping Miracles

Are you an out-going, MPAC student/performer ages 12-18 who loves to help others? Then come volunteer as a Peer Mentor/Performer for this unique inclusive musical theatre program! Help students with autism build self-esteem, find their voice, and make friends! Peer Mentors

participate in the class and are a big part of the success of the program! This 1:1 program provides the participants with a friend and co-performer to be by their side during the class and rehearsal process.

Training & Class Details

Peer mentors will need to attend a mandatory training on Thursday 9/28 from 5:00—6:30 p.m. Classes will be on Tuesdays & Thursdays from October-January. You will be assigned either day. Peer Mentors will receive community service credit.

Be Part of This Special Experience

The Miracle Project garnered so much interest that it became the subject of a two-time Emmy winning HBO documentary, *Autism: The Musical*. It has achieved international acclaim, and Elaine Hall was deemed "the Child Whisperer" by the New York Times.

To apply to be a peer mentor, request an application by e-mailing Cathy Roy at croy@mayoarts.org. Applications will also be available on our website: www.mayoarts.org.
