

## Marylyn McLaughlin Bio

Marylyn McLaughlin is married to Tom McLaughlin, a former trustee. She currently resides in Morristown, and balances the jobs of mother of four young men, with her travel consultant business, and volunteer work.

She is most proud of her job as mother.

Marylyn has lived in Morristown for 23 years, and has been actively involved in fundraising for Delbarton School, Assumption School, Family Services, and most notably the Mayo Performing Arts Center. She has co-chaired the past two Starlight Balls (2012 altered by "Sandy"), and has also worked alongside her husband, Tom to help the Development Department to identify potential benefactors.

Marylyn's talents that can benefit the MPAC lie in her communication skills, her organization, and her access to a network of friends and associates in the Morris, Essex, and Somerset counties.

Next year, she will be the Delbarton Mothers' Guild President, and will oversee their entire scholarship fundraising effort for the 2014-2015 school year. She has held various committee and chair positions at Delbarton and Assumption, and will bring her enthusiasm and work ethic to the MPAC.

She received a BA in International Relations at Lafayette College in 1985 (friend and classmate/teammate of Jeff and Karen Kirby), and had worked in Capital Markets for Oppenheimer and Co on Wall Street prior to becoming a homemaker.
