THE CLASS EXPERIENCE

MPAC is dedicated to providing exceptional arts education opportunities to children and adults of all ages and abilities. Through our Performing Arts School, School Programs, Main Stage Performances and Outreach Opportunities, over 40,000 children and their families participate in theatre classes, school time shows, workshops, seminars, student recognition programs, and enrichment opportunities. Each program strives to make the performing arts a vital component of every child's upbringing and to spark a lifelong interest in music, dance and culture.

WHAT TO WEAR

Students should come to class dressed in comfortable clothing that allows them to move and dance.

Students must wear sneakers or dance shoes. For your child's safety no sandals, boots, flip flops, or crocs.
