Full Page

A black and white newspaper clipping with a halftone background. The headline reads "Mayo Performing Arts News" in a gothic font, with "May, June Edition" below it. The main headline is "CONGRATS AIDAN!" in large, bold, sans-serif letters. To the right is a black and white portrait of a young man, Aidan, smiling. Below the headline is a quote: "Courage can not erase our fear. Courage is when we face our fear." followed by a paragraph of text: "Aidan, through countless late-night rehearsals and unbreakable focus, you have proven that grit and determination can turn a dream into a reality. As Jack Kelly, you show us all that real courage is forged in hard work - and that the headlines are written by those who never quit." At the bottom, another quote reads: "Now is the time to SEIZE THE DAY!" followed by the names "Mom, Dad, Luka, Mila, Meema & Aunt Barbara" in a cursive font.
